To,
Sri Narendra Modi
Hon. Prime Minister
New Delhi, India.

Sub: MahaaVidhyaa Diwas: Declaration of 27th December as 'International Knowledge Management Day'

Respected Sir,

Narendra Nath Dutta sat on the rocks of Kanyaakumaari (24-27 Dec 1892) and had a vision of an empowered citizenry. He laid out a vision and a plan to achieve the results. This is commonly known as 'The Kanyaakumaari Resolve of 1892'. Those were the seeds of Knowledge Management.

Our country is rich in Natural, Spiritual, Scriptural Resources. Yet we are ranked low globally, because we do not manage our knowledge.

To re-establish the vision of Swami Vivekananda and engage the youth with his vision and ideals, we are planning to celebrate 27th December, every year as 'MahaaVidhyaa Diwas'.

As our Prime Minister and our role model, we request you to declare 27th December as 'The International KnowledgeManagement Day' and take it up with the United Nations as well.

You are a Philosopher-King, as per platonic ideal ruler of the state.

We would like to call for "Learn in India and Learn for India" under your able leadership and guidance. We will benchmark with the global standards and share best practices.

We will strive to have a lean framework for Education, Healthcare and Governance. We have a plan to generate new and non existing employment opportunities in the training and consulting sector, in next 2 years, for 3 crore job seekers, with your support. We look forward to present our ideas to your office.

"Give me 10 or 12 boys with the faith of Nachiket, and I can turn the thoughts and pursuits of thiscountry in a new channel."

- Swami Vivekananda, 1902, Belur Mutt

Outcome: Lean Delivery: Reduce delay, defects and deviation in public utility services.

27th December – We will engage with all the policy makers and submit a roadmap for a collective evolution of the society, with all the policy makers in Education, Healthcare and Governance.

The final roadmap with the detailed action plan will be shared with the Nation on the 12th of January.

Delivery Phase: We will ensure the delivery of detailed action plan, by empowering the officials who can be held accountable for the outcome. We start on the eve of Makar Sankranti to the day prior to Kaartik Krsna Ekaadashi.

Audit Phase:

It is a program to Remove 3Ds, which are Desire, Duality and Delusion.

The social audit on the above mentioned design and delivery phase, will happen on the 4 days of Kaartik Krsna Ekaadashi, Dwodashi, Trayodashi, and Chaturdashi. These four days will also be celebrated as “**Nachiket Utsav**”. Mass readings / awareness /workshops on Kathopanishad and its contemporary relevance, will be done during this time.

This collective evolution exercise will be repeated every year till ‘India’ becomes the ‘Aaryavarta’ and thereafter.

“Aatmano Moksartham, Jagad Hitaycha.”

You are kindly requested to interact/direct the Ministry of External Affairs, United Nations team, Ministry of Skill Development, HRD and other key government functionaries to get the ‘MahaaVidhyaa Diwas’ formally recognized as International Knowledge Management Day.

I look forward for your mentorship and support. I will be happy to share the vision and elaborate plan with you and/or any authority assigned by you.

Thanks and Regards
